Rum-pum-pum the reading drum

Book book book oh could it be
you're look look look looking for me
I can't wait to read you, too
Cause book book book how I love you

Book book book oh could it be
you're look look look looking for me
I can't wait to read you, too
Cause book book book how I love you

I grow great big ears
From the stories that I hear
I clap clap clap my hands and
stomp stomp stomp my feet
Then sit stil as can be... I sit stil as can be

Book book book oh could it be
you're look look look looking for me
I can't wait to read you too
Cause book book book how I love you
